## FINANCIAL POLICIES

\_\_\_\_\_ Cancellation and No-Show Policy: Cancellations must be made 24 hours in advance.

A cancellation that does not occur 24 hours in advance of the scheduled appointment will incur a \$35.00 fee. The failure to attend a scheduled appointment without a cancellation (a “no show”) will incur a \$50.00 fee. Insurance does not cover these charges. Payment will automatically be charged to the Client’s credit card.

\_\_\_\_\_ If appointments are cancelled on a consistent basis or there is a failure to attend scheduled appointments twice in a row, the Sophia Center reserves the right to deny further services to the Client and a referral to another agency will be offered. Please contact the Sophia Center/your clinician as soon as possible for consideration of waiving this fee.

\_\_\_\_\_ Default on Payments: If the Client has not made payment on his/her account within 60 days from the date of service, and/or any sessions thereafter, those payments will automatically be charged to the Client’s credit card. If these actions are necessary, we will not schedule any further appointments with the Client, and a referral to another agency for continuation of services will be offered.

\_\_\_\_\_ Collection of Account Balances: You will be given access to the Therapy Notes client portal to be able to review the client balance owed and the amount outstanding to your insurance carrier. If there has been no response from your insurance carrier within 90 days, the amount billed to that carrier will become your responsibility. Remember that the agreement for treatment is made between you and the Sophia Center, Inc., not your insurance carrier. You are responsible for all billed charges. Client account balances on which payment has not been received within 90 days will be notified by letter. If this action is necessary, no further appointments will be scheduled at the center and the Sophia Center staff will offer a referral to another agency for continuation of services.

\_\_\_\_\_ Returned Check Policy: In the event of insufficient funds or returned checks, the Client will be responsible for the bank fees that incur due to a returned check, as well as the amount of the original check. Fees will automatically be charged to the credit card on file.

\_\_\_\_\_ Secure Payments can be made through Therapynotes for Charity Care and testing clients at <https://www.therapyportal.com/p/sophiacenter2/> .

Some insurances can be billed for this service. Emergency phone sessions will be billed at the session rate.

## PAYMENT

The Sophia Center will personally submit claims to the Client's insurance company. Additional fees for all services not reimbursed by insurance will be the responsibility of the Client and made payable at the time of service. These include copays, coinsurances, unmet deductibles, private pay fees, late ~~cancel/no show fees~~, and fees for letter-writing and records requests, as well as phone consultations, as detailed below. Once your insurance has processed your claims, they will send an Explanation of Benefits (EOB) to both you and our office showing the amount of your total patient responsibility. You will typically receive the EOB before we do, so if you disagree with the Client responsibility balance owed, it is your responsibility to contact your insurance carrier immediately. When we receive the EOB, we will enter all pertinent payment information into our system. At that time, any remaining balance owed by you will be charged to your credit card. The Client may pay for treatment by cash or check, or most major credit cards (Master Card, Visa, Discover or American Express). Currently, payments may also be made automatically through the secure portal <https://www.therapyportal.com/p/sophiacenter2/>.

## CONSENT FOR TREATMENT

I understand that I must be committed to attending sessions on a consistent basis in order to receive the greatest benefit from therapy. I may stop therapy at any time. If my therapist believes that I can receive more effective treatment elsewhere, referrals will be provided. I acknowledge that no guarantees have been made to me as to the results of my treatment. I understand that I have the right to be respected and included in my or my child's treatment. If I ever feel that my or my child's rights are violated, I can: Discuss my concerns with my/my child's clinician and/or clinician's supervisor. I can file a written grievance with the executive director, Dr. R. Nijakowski. Grievances will continue up the hierarchy, as needed, and we will not retaliate against you for filing a complaint. In addition, I understand that I may not attend sessions if I am under the influence of alcohol or illegal drugs, or if I am in the possession of a dangerous weapon. If I experience an emergency at any time over the course of treatment, I agree to seek immediate help through the nearest emergency room or by contacting 911.

## TERMINATION OF SERVICES

You have the right to terminate services at any time. However, if you decide to end therapy, it is best to notify the provider and discuss the process. Providers are required to measure progress of treatment and evaluate the outcome of therapy. If the therapist deems the Client does not meet medical necessity for further treatment, a discussion will be initiated to discuss preparation for completion of services. Also, after 60 days without communication between the provider and the Client, including no show or cancellation of sessions, the provider will close the case and the Client will be responsible to contact the provider to re-open the case for services.
